FORMAL INVITATION: UK-Turkey Infrastructure Collaboration in Third Markets

Registration is now open for the Department for International Trade and Turkish Contractors' Association Business Forum on UK-Turkey Infrastructure Collaboration being held on Monday 14th May at Mansion House, London.

The half-day forum will focus on upcoming opportunities for UK and Turkish companies to work together on infrastructure projects in Africa and the Middle East, and how the export credit agencies of both countries can help co-finance these projects.

We would like to invite you, and/or senior representatives from your organisation, to attend the forum.

To register please click [here](#) or email DITVIPevents@brayleino.co.uk

What to expect on the day:

- The Rt Hon. Greg Hands MP, Minister of State for Trade Policy at the Department for International Trade, and Nihat Zeybekci, Turkey's Minister of Economy, are confirmed to attend.
- The Prime Minister's Trade Envoy to Turkey Lord Janvrin will also be in attendance.
- Listen to leading trade experts, policy-makers and economists discuss market trends and key growth areas.
- Learn about specific new opportunities in Africa, the Middle East and other third markets.
- Hear insightful, real-life case studies and meet potential partners who can help unlock opportunities in third markets.
- Network with key Government representatives, leading industry stakeholders and sector experts.
