# UK points-based Immigration system: Employer Partner Pack

HM Government

# The way you hire from the EU is changing from 1 January 2021

Thank you for using the second edition of our Employer Partner pack.

From 1 January 2021, free movement will end and the UK will introduce a points-based immigration system. The new system will treat EU and non-EU citizens equally and transform the way in which all migrants come to the UK to work. Anyone coming to the UK to work, excluding Irish citizens, will need to apply for permission in advance.

To support you in providing essential guidance about the new points-based system to employers and your stakeholders, we have developed a suite of digital and print assets with information to help employers prepare.

This pack outlines our key messages and provides communication products for use on channels including social media, email updates and e-newsletters. Please do feel free to share this pack and the assets among your wider partners.

Your help and support in communicating this essential guidance is much appreciated. We hope this pack makes it as easy as possible to share updates with your audience and stakeholders through your range of digital channels.

# The UK's points-based immigration system: Employers guide to becoming a licensed sponsor of skilled migrant workers

**HM Government**

## Employers guide to becoming a licensed sponsor of skilled migrant workers

- 1. Check your organisation is eligible**
  - Check the people you want to hire are eligible to come to the UK under the new points-based immigration system
  - Ensure you are able to provide the necessary supporting documents for your sponsor licence application, eg details of your organisation and intended jobs you wish to fill
  - To get a licence, you cannot have unspent criminal convictions for immigration offences or certain other crimes, such as fraud or money laundering
- 2. Ensure your organisation can manage its licence**
  - You need to appoint people within your organisation to manage the sponsorship process when you apply
  - They will be responsible for ensuring your organisation remains compliant with the requirements of the licence
  - You will need to keep record of your staff that you sponsor for reporting to UKVI (UK Visas and Immigration)
- 3. Apply - allow 8 weeks**
  1. Apply online and pay the fee
  2. The fee is dependent on the type of licence(s) you are applying for and the type and size of your organisation. It will either be £536 or £1,475
  3. Send your supporting documents to UKVI
  4. Confirm how many staff you plan to recruit through the sponsorship system for the current financial year
  5. Each staff member sponsored costs £21 or £395, in addition to the usual visa application fees

✓ If successful, your licence will be valid for 4 years
- 4. Sponsor a worker - 18 days\***
  1. Once you have selected a candidate, they must make a visa application to work in the UK
  2. You must first endorse your prospective employee's visa through your sponsor licence account by requesting then issuing an electronic 'certificate of sponsorship'
  3. Pay the Immigration Skills Charge. This is £1,000 for the first year of work in the UK plus £500 for each additional 6 months, or £354 and £352 respectively for small businesses or charities
  4. The employee must then submit a visa application under the same category as your licence

✓ If the prospective employee's visa application is granted, they may travel to the UK and start working

\*If sponsoring a migrant worker from outside the EU in 2020 you must normally wait for 18 days before they can start work in the UK. If recruiting from 2021, you may immediately advertise globally and non-EU workers (excluding those from the EU) will need a visa and your sponsorship to work at your organisation.

A sponsor licence can be withdrawn or suspended if you do not follow immigration rules. If you are suspended, you cannot sponsor any new workers, but you can continue to sponsor workers already in the UK. If you are suspended, you must also stop sponsoring any workers who are in the UK. If you are suspended, you must also stop sponsoring any workers who are in the UK.
